

Our Compass

How might we.....?

- do “with”, instead of do “unto”
- invite voice and listen
- make caring visible
- facilitate meaningful connections
- share stories, find common ground
- be triangulation-free
- avoid triggering the “fight or flight” response
- be barrier busters, solutions focused
- appreciate not all things that count can be counted
- choose our words
- be sensitively responsive to unique strengths and needs

What:

- vision/mission
- strategic plan
- quality and resources
- shared leadership
- risk management
- PMF goals and accountability
