

OTN Training Lunch and Learn

On an ongoing basis OTN offers Lunch and Learn videoconference training opportunities. These events are live videoconference events and provide an opportunity to learn about a number of OTN services that are relevant to BSO members. The courses include Personal Videoconferencing, Clinical Best Practices, Education and Administration Best Practices, How to schedule Non-Clinical and Clinical events using Ncompass and Scheduling Tips. This link will take you to the Lunch and Learn course descriptions and calendar of upcoming Lunch and Learn events.
